

The Seminary's facilities are at 230 Lexington Green Circle, Suite 300. This is in the uppermost of the two office towers in the upper left corner of this photograph, the one with the red location mark beside it. You may park in the lot where the red location marker is. There are entrances on both sides of the building. Take the elevator to the fifth floor, where you will find a flex-space used for classes, worship, and meals. If you are coming on New Circle Road (Rte. 4), exit at Nicholasville Rd., and head south (toward the bottom of the picture). Turn right at the first light, and you are on Lexington Green Circle. Follow it around to the seminary's offices.
